Hello everyone!

Our next weeklong school will be held at the White Point Beach Resort in beautiful Hunts Point, Nova Scotia.

2026 is the year of Health and Safety, which will be a focus at the upcoming school.

The need for training in Representing Members and Grievance Handling will also be a focus, as we strive to build capacity in our Locals and strengthen our representation and activism. Our strength comes from our members' involvement in their union; therefore, the courses will also focus on building more inclusive locals.

Please stay tuned to your provincial division website for more information.

In solidarity,
